BOSCH also wants ALPIZAR to handle the problem of obtaining and piloting an Aerocommander plane to be used in these plans. BOSCH expects ALPIZAR to obtain this plane in either Texas or Calif. where Aerocommanders are advertised in trade magazines. He will supply ALPIZAR with \$1200 to obtain option to purchase such plane, with right to use it for two months. ~~(S)~~(u)

BOSCH has advised ALPIZAR he will not deal with either WILLIAM JOHNSON or CHARLES BUSH, U.S. citizens who were involved in preparations for the 12/28/63 raid. BOSCH indicates he mistrusts both of these men. ~~(S)~~(u)

Above info has been purposely omitted from the LHM to protect ALPIZAR whose vulnerability increases as BOSCH depends more and more upon him. ~~(S)~~(u)

Miami kept Mr. STANLEY SCHACHTER, U.S. Customs, Miami, informed of all pertinent details. SCHACHTER has advised that Comandos L has a boat, the "Andrea", located in the Miami River, which recently has been taken out on several trial runs. This boat is 28 feet long and has a 185 HP motor. It is being closely watched by Customs. [It appears this may be the boat which Comandos L plans to use on the raid reported by ALPIZAR.] ~~(S)~~(u)

Mr. SCHACHTER, on basis info obtained by this office expects to seize BOSCH's boat as it departs for Andros Island with arms and explosives.

Miami will continue to investigate activities of IRR for intelligence purposes and determine if the neutrality law are being violated. ~~(S)~~(u)
